

## Megapolis Condo Hotel Units For Sale

Contributed by Administrator

The one thing Panama is short of is decent Hotel accomodation. This will change when the Megapolis if completed. The Tower is already well under construction and when completed the Hotel will be operated by Decameron. The hotel rooms in the building are actually individually owned and each owner will share in the profits from the rental of the units.....

The Megapolis Hotel is centrally located in Panama City and this is also the only Condo Hotel in Panama that guarantees a minimum income.

We have a number of units available at the low price of only \$165,000 for a 44 sq m condo hotel unit.
